- Dr. Mihir Kumar Mallick serves as a Professor of Social Sciences and is presently the Head (Act.) of the Department of Education and Training. He possesses a PhD from University of Delhi, along with Master's Degrees in Psychology, Environmental Education, and Education. Furthermore, he has obtained a Post Graduate Diploma in Environmental Education, an Advanced Diploma in Special Education, and a Certificate in Guidance.
- For the past thirty years, Professor Mallick has dedicated himself to the domains of education, training, and research. Throughout his professional career, he has imparted his expertise to both undergraduate and postgraduate students, while also spearheading numerous in-service training programs aimed at enhancing the skills of healthcare professionals and individuals from diverse backgrounds. Furthermore, he has organized comprehensive induction training programs for the newly appointed General Duty Medical Officers (GDMOs) working within the central health services.
- Prof. Mallick has offered research guidance to many doctoral candidates, Master of Philosophy students, and Master's level students. Additionally, he has provided research guidance to a variety of summer interns. His research interests include Health System Management, Health Psychology, Environmental Health, Mental Health, Pedagogy of Teaching/Training, and Testing & Standardization.
- In addition to his teaching and research activities, Prof. Mallick has written two books, one of which is comprised of three volumes, along with five book chapters and numerous research articles that have been published in reputed national and international journals. Furthermore, he has acted as an editor for two international journals and two national journals, and he has published three standardized psychological tests.
- Prof. Mallick has extensive experience of organizing international conferences by serving as both Organizing Secretary and a member of the organizing committee. Besides, he has delivered invited speeches and acted as chief guest of various international and national seminars, workshops, and conferences. Prof. Mallick has also experience of managing several significant administrative roles.
